Dear Mr Cheung,

We are pleased to have your graduate, Mr LI King Yeung, in our Bachelor of Arts (Honours) Programme in 2017-18.

Lingnan University is committed to providing quality education distinguished by the liberal arts tradition. It adopts a whole-person approach to education which enables our students to think, judge, care and ultimately, act with responsibility within the changing context of Hong Kong, the region and the world.

To offer greater flexibility for students, the Faculty of Arts has implemented a hybrid admission model (faculty-based and programme-based admissions) starting from the 2016 intake. Apart from offering the BA (Hons) degrees in Chinese, Contemporary English Studies, Cultural Studies, History, Philosophy, Translation and Visual Studies, **three new Majors ('Interdisciplinary Major in Chinese Literature, History and Philosophy', 'Interdisciplinary Major in Film and Media Studies' and 'Student-designed Major')** are newly offered for students admitted via faculty.

The education we deliver serves to liberate the minds and talents of students, who are able to embrace the values of culture, arts, creativity, and critical thinking. Over the years, community and business leaders alike have begun to recognize the lasting value and impact of liberal arts education upon potential employees.

Our Information Day for the prospectus students will be held on **21 October 2017 (Sat)**. Your teachers and students are welcome to participate in this event. Should you have any enquiries, please feel free to contact the Faculty Office at 2616 7438 or email at [arts@LN.edu.hk](mailto:arts@LN.edu.hk).

We wish your graduate a very fruitful university life at Lingnan!

With Best Regards,

Professor SUN Yifeng
