**Subject:** Invitation to HKUST Webinar - live webcast with Q&A

Dear Counselor,

Would you and your students like to hear from our Professors and current students about their university experience in Hong Kong?

Hosted by HKUST Professors and Student Ambassadors, this series of webinars will allow you and your students to learn more about our undergraduate programs in different schools/programs office, our students' university application journey and their academic and social life.

Students can join us from the comfort of their home or wherever they are. Teachers and parents are also welcome. Don't miss this opportunity to ask questions and get an instant response.

Please find details of all sessions and the registration link below.
