Dear Principal,

Invitation to PolyU Engineering Summer Camp

We are pleased to have 2 students from your school pursuing their study in engineering at PolyU last year. As such, we sincerely extend our invitation to your school to join the signature summer programme of the Faculty – the PolyU Engineering Summer Camp. The camp participation is by invitation to our selected partnership schools, and the objectives of the camp are for secondary school students to explore their future with engineering study.

The programme will be held during 31 July - 2 August 2018, Tuesday to Thursday, on PolyU campus. The 3-day programme is designed for students from local schools and with some invited high school students from overseas countries together to explore the field of engineering and to understand the various engineering disciplines through a fun and a lively environment. It provides a good cultural learning experience as well. Details are listed as follows:-

PolyU Engineering Summer Camp 2018

- | | |
|----------------------------|---|
| Date: | 31 July - 2 August 2018, Tuesday to Thursday |
| Venue: | The Hong Kong Polytechnic University, Hong Kong |
| Participation fee: | HK\$800/person (covers 3 Days/2 Nights hostel residence, meal expenses, and all activities at the summer camp) |
| School-based registration: | <ul style="list-style-type: none">• Around 10 students who have interests in engineering study in Hong Kong• S4 to S5 students taking Mathematics/ Science/ IT subjects |
| Activities: | <ul style="list-style-type: none">• Student hostel residence• Engineering projects with project awards• Dinner with industrialists, alumni and faculty members• Visit to research organisations in Hong Kong |

Enclosed please find details of our summer camp and you may also visit our website at www.polyu.edu.hk/feng/summercamp. For registration, please complete and return the attached proforma reply to us **by 4 May 2018**.

If you have further enquiries, please feel free to contact Mr Henry Chan at 3400 3814 or Mr Tommy Chan at 2766 5044.

We look forward to your support of this specially designed activity for international and local students!

Yours sincerely,

Karen Cheung
