DISCOVER LIFE & ENVIRONMENTAL SCIENCES
UNIVERSITY OF BIRMINGHAM EVENT IN HONG KONG

MONDAY 29TH OCTOBER

Academic staff from the University of Birmingham's College of Life and Environmental Sciences would like to invite you to join an evening event on **Monday 29th October** to discover more about the breadth of programmes on offer and our world leading research.

This event is suitable for prospective students, teaching staff, and careers/guidance counsellors, so please feel free to share the invitation. Please note, pre-booking is essential.

The College of Life and Environmental Sciences is dedicated to exploring the diversity and evolutionary challenges of life in all its forms. The College is comprised of four Schools: [Biosciences](#); [Geography, Earth and Environmental Sciences](#); [Sport, Exercise and Rehabilitation Sciences](#) (including Physiotherapy); and [Psychology](#).

We have students from Hong Kong studying subjects across the College from Psychology and Physiotherapy to Biosciences and Environmental Science.

Event details:

Date: Monday 29th October

Time: 6.30pm refreshments for 7pm start

Venue: Cordis Hotel Hong Kong (Shanghai Room 1, Level 8)

555 Shanghai Street, Mongkok, Kowloon, Hong Kong

[Book your place here](#)

Contact email for queries: coles-int-comms@contacts.bham.ac.uk

Event highlights:

- Academic taster lecture delivered by Professor of Life Sciences Education
- Find out more about educational opportunities at our mini study fair
- Panel Q&A with academic staff from all subject areas
- Opportunity for informal discussions

Speakers include:

- **Professor Jeremy Pritchard**, Professor of Life Sciences Education, School of Biosciences and Director of Education, College of Life and Environmental Sciences
- **Professor Iseult Lynch**, Professor of Environmental Nanosciences, School of Geography, Earth and Environmental Sciences
- **Dr John Round**, Senior Lecturer in Human Geography and Head of Education, School of Geography, Earth and Environmental Sciences
- **Dr Carmel Mevorach**, Lecturer and International Lead, School of Psychology
- **Dr Carolyn Roskell**, Programme Director MSc Physiotherapy (pre-registration), School of Sport, Exercise and Rehabilitation Sciences and Deputy Director of Education, College of Life and Environmental Sciences

Places are limited so registration is essential. [Book your place here](#)

About the College of Life and Environmental Sciences

We combine our discipline expertise with those across the wider University to address the most significant human and environmental questions of the present, past and future. Across the breadth of life and environmental sciences, we discover, apply and translate science, forging major advances in human and environmental health.

About the University of Birmingham

- A world leader in Higher Education (recognised as being in the top 1% of universities worldwide)

- Member of the elite Russell Group of UK universities
- Home to one of the largest international student communities in the UK, with over 5,000 students from more than 150 countries

We hope you are able to attend this exciting event.

Best wishes,

College of Life and Environmental Sciences
