Dear Teacher,

**Briefing Session on Application to Oxbridge and Medical School in UK by NAS Students**

Studying in the UK universities is always one of the top priorities for students planning to study overseas. Last year, we worked with EDB, British Council Hong Kong (HKBC) and ITS to hold a seminar on “APPLICATION TO OXBRIDGE AND MEDICAL SCHOOL” for the high flyers of the first NAS secondary school leavers. It was proven a successful one as some student participants have received positive replies/offers from top universities recently. Studying in top universities is no longer a dream. Good preparation with the guidance of experienced career advisors can help make students’ dream come true.

The period of applying for Oxbridge would be always from September to mid-October. To help students get better preparation, this year, we are happy to work with ITS with the support of EDB again to organize a briefing session on “APPLICATION TO OXBRIDGE AND MEDICAL SCHOOL” in early July. Details are as follows. Applying to UK universities through UCAS would be introduced and application to Oxbridge and medicine programmes in UK will be highlighted. Briefing on “How Career Advisors can help students in the application to UK universities?” will be also held in the parallel sessions.

**Briefing Session**

Target audience: Elite students and their Career Advisor  
Date: 6th July 2012  
Time: 2:00pm to 4:00pm
